

There have never been so many reasons to join US Sailing!

Join US Sailing and Support your Class Association through the MVP Program

Did you know your class association is a US Sailing member and MVP partner? This means your personal US Sailing membership can give back to your class! Being an MVP partner enables your class to receive credits when you join or renew your annual US Sailing membership through the MVP Program. You'll have access to discounted membership rates, and your class will earn credits to help strengthen sailing in your class across the country.

MVP membership pricing:

- Youth - \$25 (discounted from \$30)
- Individual - \$55 (discounted from \$65)
- Family - \$85 (discounted from \$115)

Ways MVP credits can support your class:

- Send sailors to measurer training
- Provide race management training for class members
- Purchase paper rulebooks to distribute to sailors, or event prizes from the US Sailing Store
- Host a virtual speaker for your class association

Your US Sailing membership will also give you **exclusive member discounts** including:

- 15% off \$100 or more at West Marine
